Class Notes:

Barbell & Bands – Total body workout. Come load a barbell and bring your glute band!

Bodyweight 30 - Bodyweight only, no weights. Focus on core, strength and balance.

Booty Bands 30 – Lower body workout with added resistance from bands. Bring your band!

Butts & Guts 30 – 30 minutes focusing on the midsection, glutes and legs.

Cardio Flex - A mix of aerobic exercises, weights and bodyweight conditioning.

Cardio Jam : Medicine ball workout combined with old school aerobics, cardio kickboxing, and step aerobics to give you the ultimate cardio blast.

Creative Movement – Improve balance and flexibility as you tone through dance conditioning exercises and other rhythmic movements.

CrossTrain – Mix it up! Class may include cardio drills, plyometric moves, athletic drills, strength exercises and core work. There are no limits!

Power Abs 30 – 30 minutes focusing on abs and core.

Ride On – Hop on a bike and ride, sprint and climb hills. Come get your Ride On!

TNT - Tight & Toned! Full body workout.

Treadworx – Pace yourself through hills and sprints. Calling all runners, joggers and walkers.

Yoga – Balance strengthening and stretching poses. Increase awareness and mindfulness for your body and breathing. All levels

Yoga Basics – Back to basics introductory class. Stretch, balance, move, breathe, focus and strengthen!
